Ethernet Adapters First Time Buyers Program – Updated

Intel is pleased to offer additional products to the Ethernet Adapters First Time Buyers Program. The First Time Buyers Program enables customers to purchase up to two units of each of the qualifying Intel® Ethernet Network Adapters for **a discount off the standard disti cost.**

Details below reflect the qualifying SKU's.

New SKU's will be considered as they are launched.

Terms and Conditions

Offer Limit two units of each of the listed SKU's per customer. Discount Program is available through Intel-Authorized Distributors through December 31, 2024.

Accounts affected: This offer is available to all customers purchasing through an Intel® Authorized Distributor throughout North America.

Distributor Process:

1. Promotional product should be shipped from the Intel® Authorized Distributor's inventory.
2. All promotional discounts will be obtained through the DPA process, where customer name will need to be submitted.
3. Discount is applied to SDC.
4. Distributors will provide to Intel, sales out on any promotional SKU in the same manner and on the same schedule that sales out are normally submitted to Intel.

Other terms and conditions:

1. Returns - Returns of SKUs associated with this promotion are subject to review and acceptance by Intel based on historical sales out run rate over the prior quarter. Any returns will be credited at the price paid for the product.
2. Cannot be used in combination with any other offer (only one DPA may be used at one time) including bid desk pricing, other promotions, government, educational pricing and e-rate.
3. Exceptions to any of these guidelines must have written approval by Intel.
4. This document contains Intel Confidential Information. Intel customers receiving this document from Intel must treat it according to the terms and conditions of the confidentiality agreement (CNDA) in place between them and Intel. In particular: (i) Intel customers must not disclose this information to third parties, including without limitation their contractors and their direct/indirect customers; and (ii) Intel customers must distribute this information internally within their organization on a strict need-to-know basis only.
5. Intel reserves the right to modify, suspend or terminate this promotion at any time and for any reason with immediate effect, without prejudice to any rights that have already accrued under the promotion but with no further liability, by giving notice in any form to customer.
6. There is no guaranty of product availability, supply or product mix, and guidance may change at any time. Any potential sales by Intel (and the terms of such sales including pricing) must result from an agreement in writing between Intel and customer and will be subject to the terms and conditions of such agreement.
7. Nothing expressed in this document is conditioned on exclusivity or market share commitment. Further, this document does not prevent the recipient from entering into arrangements with third parties. Intel's allocation decisions will not depend on whether an Intel customer purchases relevant products from an Intel competitor, or a customer's agreements regarding the purchase of an Intel competitor's product.
